Domo deserved happiness and I'm glad he found out that his baby girl was alive. Devin deserved everything he got but killing Dior was a little harsh. I guess his pain was a bit too unbearable. I'm glad Nyembi's mom finally decided to get help, but like Nyembi, i hope her wounds aren't fatal. This is a close knit family who has nothing but love for one another and i know that they can surpass anything! I know that eventually Nyembi, Rich, Dulce and Domo will all find their happily ever after and i hope that they sent Nino and Guy to meet their maker? I'm so ready for part 3 cause i need to know what happened to Lena's ass. Did they find her in the ashes or did she make it out?0 of 0 people found the following review helpful. Loving someone can become addictiveBy Kendra Readaholic/Reviewer HuskeyThis part picked right up from part 1. There were no confusions when it came to understanding everything that was going on. Irsquo;m sure part 3 will answer a lot of questions. This story continues with so many twists, turns, and secrets. I really found myself cheering for Nyembi. She really deserves to be happy with Rich. Omg Lena was soo wrong for what she did. I see another couple Irsquo;m starting to fall for is Dulce and Domo. True Domo has secrets, but who doesnrsquo;t. Therersquo;s a lot of emotions in this book and love is what you will feel while readinghellip;mixed with some jaw dropping moments.0 of 0 people found the following review helpful. a ust readBy tracy bourgeoisI realy enjoyed this book. i was undecided on wether i wanted Dior tp live or die.. Afterall she didnt know her child was still alive...however that doesnt excuse the fact that shhe traded her child for money that she stole...Otherwise the book was A Must Read...

Nyembi is on the straight and narrow, ready to take on life as a normal person. Defeating all odds, she and Rich manages to bypass all drama, including his ex-wife Lena.Jealous and envious, Lena doesn't know how to let the past be just that, the past.Jealous of his best friend, Nino isn't happy with just having dealings with Lena, he wants everything Rich has to offer. Deciding to take things into his own hands, he finds himself in a bad position.Dulce is Nyembi's friend that is teaming up with Domo, Rich's cousin. What happens when immediate sparks start to fly. Is this the start of something beautiful? Or is it the beginning of the end?
